Dear Friends:

Thank you for expressing an interest in the Copper Country Suzuki Association. The CCSA has been providing excellent training on violin, viola, cello, and bass to children and adults in the Copper Country for over 35 years. In recent years we had added Suzuki Piano and Music and Movement with Adrienne Shipley. We are proud of our achievements and I invite you to visit our website to find out more about the CCSA.

Enclosed is a registration packet which provides information about our program. Please take a few minutes to go over all of the materials which will hopefully answer any questions that you may have. With only a limited amount of space available for new students, classes fill up very quickly. Please contact me as soon as possible if you wish to enroll your child.

Need based scholarships are available and are awarded on a first come first served basis so the earlier that you return your forms the better your chances of receiving a scholarship. A scholarship application form is enclosed with this packet. If you are in need of a scholarship, please fill out this form and return it along with your registration form. You will be notified of scholarship awards in the fall.

I sincerely hope that you will consider enrolling your child in the CCSA. Please return registration materials no later than August 25th to ensure your place in our program. If you choose to enroll in the CCSA, your private instructor will be contacting you regarding lesson times shortly before classes begin. You don't need to send payment now; you will be billed in September. Lessons will begin on Monday, September 8th. If you have any questions please don't hesitate to call me at 906/487-3606 or contact me via e-mail at ecmeyer@mtu.edu.

Sincerely,

Libby Meyer, DMA
